Calgary, AB
T3J T5

Dear Jesse,

I would like to thank-you for your donation to the Calgary Gymnastics Centre's 2017 Silent Auction. Thanks to the generous show of support we received from businesses such as yours, we were able to exceed our Silent Auction fundraising goal and raise \$15 000!

Your support of CGC's Silent Auction benefits many Calgarians. The Calgary Gymnastics Centre, located in Canada Olympic Park, is the largest gymnastics facility in Calgary and one of the largest in the country. As the premier provider of gymnastics instruction in Calgary, Calgary Gymnastics Centre offers programs for all ages and levels, beginning at 4 months through adult. This 30,000 square foot facility houses three competitive disciplines - Men's and Women's Artistic, Tumbling and Trampoline, as well as Recreational, Kindergym and Preschool classes under our Gymnastics For All Program. Our new North location is located at 2638 Country Hills Blvd NE and offers recreational Gymnastics For All Programs. Both locations also offer parties and facility rentals.

Between the two locations, Calgary Gymnastics Centre provides nationally certified instruction to approximately 3400 non-competitive and 300 competitive athletes each week.

By donating to the Silent Auction, you assisted us in raising funds that will help us continue to provide safe, fun, challenging and affordable gymnastics programs that promote healthy, active living. Thank-you once again for supporting the Calgary Gymnastics Centre!

Sincerely,

Cheryl Sawatzky
2017 Silent Auction Coordinator

Active Start, Active for Life!!!
